## GROVE'S PHARMACY Olive Oil

Most of the Olive Oil that is used in this country is made in this country and adulterated with cotton seed oil. We have handled a great deal of this grade but have at last discarded it. The best Olive Oil there is comes from Southern France where the Olives grow and is far superior to any other.

This is the grade of oil we now offer for sale, and while it costs nearly three times as much we sell it for the same — 50c an ounce, or 50c a pint. Give us a call.
